

# **RING BACK TONE SERVICE**

## **WELCOME TO RING BACK TONE SERVICE**

**"RBT (Ring Back Tone)" is the personalized RBT service of CAMSHIN. It is a service that is customized by the caller to replace the ordinary RBT service and provide the caller with a sweet-sounding RBT or a greeting. With the "RBT", the people who call you can enjoy music. For example, a campus RBT will remind your former classmates and the life you live through together; a Waltz will relax the mood of your boss who might call you for an emergency; a traditional Cambodian RBT at each holiday will surprise all your friends.....The thoughtful RBT service can fully display your personalities and make the simple communication full of interest.**

## **WHY WE SUGGEST OUR CUSTOMER TO USE RBT SERVICE?**

**RBT service provides the caller with a sweet-sounding RBT , a greeting or favorite songs that you want the caller hear and all people call you can enjoy music. You can download tunes, set the caller number into groups and play different RBTs for different Calling Groups. You can divide the caller numbers into 10 groups at most online. If the caller numbers are not divided into groups, all subscribers who call you will hear the same RBT. The songs that you have bought set as random automatically by the system. But You can set default for someone by website or dial 1166.**

## HOW TO USE RBT SERVICE?

You can apply for RBT service by :

- 1- Sending short message  
"SUB" to 1166
- 2- Dial 1166 (IVR System)
- 3- Login to RBT website  
(<http://rbt.camshin.com.kh>)
